EDUCATION

10th Punjab Board   94.64%
Sada Ram Bansal Memorial Senior Secondary School
📅 2016

12th Punjab Board   79.77%
Sada Ram Bansal Memorial Senior Secondary School
📅 2018

B.tech Computer Science
Chandigarh Group of Colleges, Jhanjeri
📅 2018 - 2022　　📍 Chandigarh

PROJECTS

TraCov (During COVID-19)
- An App built using Exposure Notification API to trace down the infected people
- Used Mesh Networking Topology to push data to others offline instead of Data/Wi-Fi
- Built using Flutter

ZoomWhatBot (During COVID)
- Used ZOOM's API to create Twilio's API to create a WhatsApp bot
- The bot could create/schedule meeting, take attendance, turn on caption etc. with just few commands/text

AR Watch Selector
🔗 https://www.linkedin.com/feed/update/urn:li:activity:6696790735192170496/
- AR app using Unity
- Real Time E-commerce app project.
- Watch selector project where we interact with watches models in 3D on our wrist.
- I tried to interact with 3D watch models it's different colors and price also.

SKILLS

General

Augmented Reality

Vuforia Augmented Reality SDK　　　Unity

MySQL　　Android Development

Data Structure　　Project Management

Hadoop　　GIT　　ARCore

Programming Languages

C　　C++　　Java　　Python　　C#

Web Development

HTML　　CSS　　JavaScript　　NodeJS

GatsbyJs　　Django　　MongoDB

Operating System

Windows　　Linux　　Ubuntu

PROJECTS

AR Car Performance

🔗 https://www.linkedin.com/feed/update/urn:li:activity:6699960856668729344/

- AR app using Unity
- This is Real Time 3D project to check car performances.
- This is AI(Artificial Intelligence) + AR(Augmented Reality) app.
- We can check performances of different cars through our voice commands.

Gas Detection Automation

- The above-demonstrated exemplifies how a system responds to a gas leakage
- It alerts the suspect about the leakage in the system.
- In order of increased gas leakages, a good alert system is the need for the gas system for households
- It will automatically sends message and call to the owner of the house if any leakage occurs.

ACHIEVEMENTS

💎 **Inspired and Challanged.**

- I got 5 star gold badge in Hackerrank Problem Solving.
- Certified from Microsoft for Virtual Internship Platform
- My team won the first price in hardware competetion and selected for Hackathon.
-Score 210/300 in Coding Ninja Programming test.
- Got 285th rank all over India at Ninja Hire organized by Coding Ninja and selected for 2nd round.
- Got certificate from IIT Delhi for completing tasks in workshop organized by IIT Delhi.
- Working as a Campus Ambassador at Coding Ninja.
